Bookings

Upon login you will be seeing today's Available Stories.

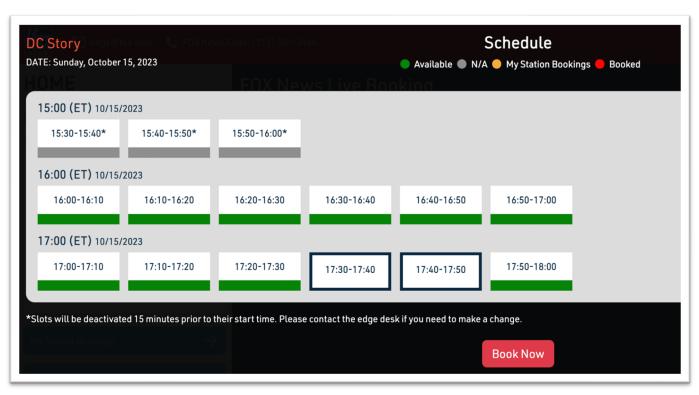

Make a Booking

• Click on the Story you are interested on Available Stories screen to display Story details.

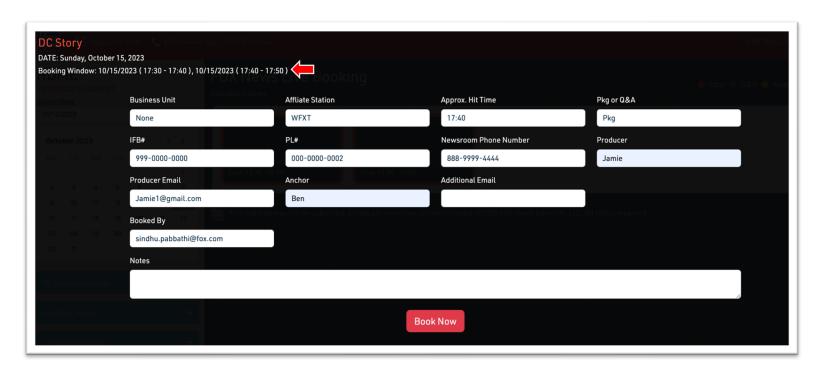

- Click on View Time Slots button.
- You will be routed to Schedule page.

- Click on the time slot(s) to select.
- Selected time slots are highlighted in black border.
- click on **Book Now** button to open the screen to enter booking details.

Note:

• Selected booking windows are visible on top left corner of the screen below Story date. You can book up to 10 slots in single booking action.

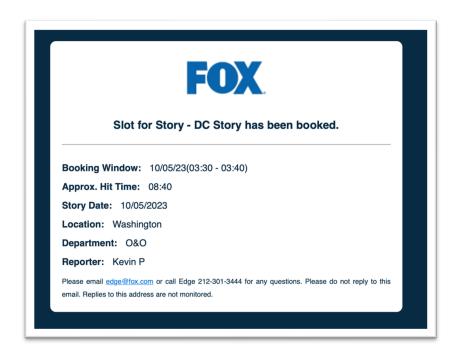

• Enter details on Booking Screen and click on **Book Now** button.

Note:

Approximate Hit time should be updated for each individual booking(from My Station Bookings menu) when multiple Slots are booked at once.

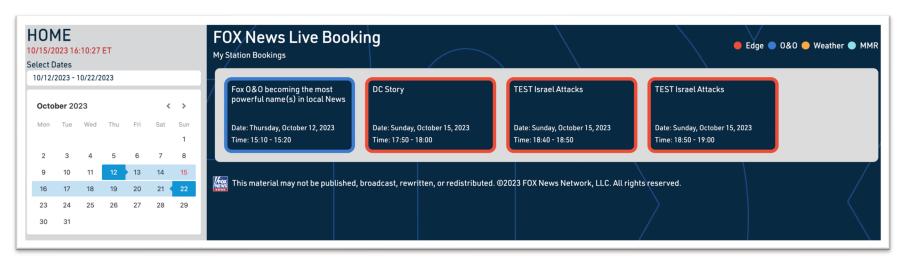

Fields like IFB#, PL#, Producer fields will be auto populated if you setup in Profile.

- Booking Created! message appears on the screen when bookings are successfully created.
- You will receive a Booking Confirmation email after the booking is made.

View Booking details

- Click on My Station Bookings menu item.
 By default, you will see today's bookings of your Station.
- You can select dates on Calendar by clicking on a Start date and End date to display multiple days bookings.

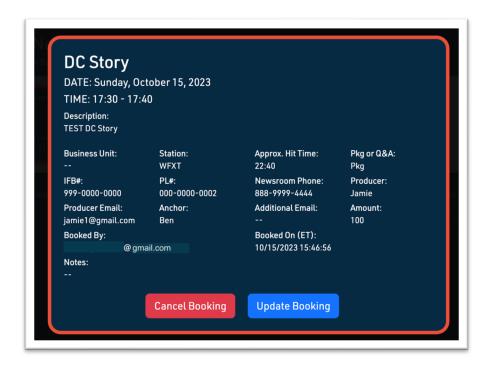

Note: Selected date range will be highlighted in **Select dates** field.

- Bookings for the selected dates appear on the right-hand side pane.
- Click on any booking tile to view details.

Update A Booking

- Select the Booking tile you want to update in My Station Bookings.
- Booking details screen appears with Update Booking and Cancel Booking buttons.
- Click on **Update Booking** button.

- Update details as required and click on **Update Booking** button.
- Booking Updated! message appears on the screen.

Cancel A Booking

- Select the Booking tile you want to cancel in My Station Bookings.
- Booking details screen appears with Update Booking and Cancel Booking buttons.
- Click on Cancel Booking button.

- Click on **yes** on the screen appeared.
- Booking Canceled! message appears on the screen.
- You will receive confirmation email for canceled Booking.

View Cancelled Bookings

All your Station's canceled bookings will be displayed here.

- Click on Cancelled Bookings menu item.
- You can select dates on Calendar by clicking on a Start date and End date to display multiple days bookings.

Note: Selected date range will be highlighted in **Select dates** field.

- Bookings canceled for the selected dates appear on the right-hand side pane.
- Click on any booking tile to view details.

Note:

When a booking is canceled by Station, booking status will be shown as **Canceled by Station**. Users who canceled the booking, who made a booking and Producer will receive email notification.

If a booking is canceled by Edge team, booking Status will be shown as Canceled by FOX. Users who made a booking and Producer will receive cancellation email.
